

Mrs. Christy's Family Corner

October 2022

Fall is here! It is a perfect time to continue practicing speech and language skills. The colors of the trees, pumpkins, and weather are all great topics to discuss with your child. It is a great time to get outside and enjoy time with family. I have included a Trick-or-Treat Safety tip sheet and also one on how to teach children about stranger danger.

What's Happening in Preschool?

We have started our study on Trees!

We will be learning:

- What are the characteristics of trees in our community?
 - Who lives in trees?
- What food comes from trees?
 - Who takes care of trees?
 - How do trees change?
- What can we do with parts of trees?

Things to do at home

- **Go on a leaf hunt! Describe the color and compare the leaves you have found.**
- **Visit a pumpkin patch! Most will have a hayride. Discuss the pumpkins, the ride, and the weather.**
- **Read a book about Fall or Halloween.**

BOOKS

- Five Little Pumpkins
 - Click Clack Boo
- There Was An Old Lady Who Swallowed a Bat
 - Room on the Broom

Please come to our first PEEPS meeting here at Hartford Elementary on Thursday, October 13th at 9:00 a.m. in the Art Room. I am so looking forward to meeting you all and having a great group this year!
